

## 2 Door Man Trap for MM220

The operation of the MM220 as a Man Trap works in the following manner. Input 1 from the telephone entry keypad opens the magnetic lock on door #1 for 5 seconds. Door #1 must be opened and then closed before a 7 second timer is started. At the end of the 7 seconds the magnetic lock on door #2 will open for 5 seconds. The person has 20 seconds from the time the code is entered to open and close door #1 before the code has to be re-entered
