ELK PRODUCTS ADDS THREE NEW POWER PRODUCTS

September 16, 2014 – Hildebran, NC – ELK Products, a premier manufacturer of innovative security solutions is pleased to introduce three new power products.

ELK-P1417 POWER SUPPLY is a plug-in Power Supply with easy screw terminal connections providing 1.7 Amp, 14VDC of power. It features auto-reset for overload and carries the ELK LIFETIME WARRANTY.

ELK-P1215 POWER SUPPLY/BATTERY CHARGER KIT includes the ELK-P1417 POWER SUPPLY and a CHARGER BOARD with Battery Supervision, protective Low Battery Cut-off, and Master Power Switch (AC/DC). Together, this combo supplies 1.5A, 12VDC for Access Control, Cameras, or Auxiliary Alarm devices and can easily charge a 12 Volt back-up battery. Both the Power Supply and Charger Board carry the ELK LIFETIME WARRANTY.

ELK-P1215K POWER SUPPLY/BATTERY CHARGER/ BATTERY includes the ELK-P1417 POWER SUPPLY, CHARGER BOARD, and an ELK-1250 12 Volt, 5 Amp hour battery for back-up. Power Supply and Charger Board carry the ELK LIFETIME WARRANTY, while the ELK-1250 Battery carries ELK's Two-Year Warranty.

Visit www.elkproducts.com for more information and to find an ELK Authorized Distributor near you.
